

HI Profile Guidelines

HI Profile is your chance to tell us the story (and send us some pictures) of you and your horse(s)--whether you own, lease or have a special horse in your life. If your story and photos are selected, we'll publish them in *Horse Illustrated* and you'll receive a prize from our sponsor.

For your profile to be considered for our column, *HI Profile*, please tell us in 1,000 words or less about you and your horse(s). Make sure to include the answers to following questions within your profile:

- 1) Your name as you would like it to appear in *HI*?
- 2) How long have you been an *HI* reader?
- 3) Your city/state?
- 4) Your occupation as you would like it to appear in *HI*?
- 5) Name, age and breed of horse(s)?
- 6) Other animals (if any)?
- 7) Horsekeeping info? Tell us about where your horse(s) lives. This might include the size of the property/facility, name of farm/ranch, what accommodations your horse enjoys and so on.
- 8) What discipline do you participate in? (i.e. hunter/jumper, dressage, western pleasure, et cetera)
- 9) How often do you ride per week?
- 10) Do you take lessons? Why or why not?
- 11) Do you show/compete? Why or why not?

12) How has your relationship with horses enriched your life?

13) Has your horse helped you get through a difficult period? Please explain.

14) Have you attained any goal with your horse?

15) What do you like most about horse ownership?

Handwritten profiles will not be accepted. In addition to the above information, please include several quality photos of you with your horse(s). Digital images must be high-resolution (300 dpi) digital files or high-quality printouts on photo paper. Copyrighted professional photos cannot be considered.
