

About Club Horse

Join Club Horse and earn points just by having fun on our site! You can redeem your points for rewards, which include a variety of great products or valuable discounts from our partners.

It's a fun and simple program: Many of the features on our site will automatically award you with points when you use them. You'll earn points by visiting HorseChannel.com every day, taking quizzes, building your horse's web page, and more! The more you explore, the more points you earn.

How It Works: Register for Club Horse. [Click here to register >>](#)

Log in to Club Horse every time you visit HorseChannel.com to accumulate points.

The amount of points earned varies by the activity.

There are no obligations and no fees to participate in this program. Read the terms and conditions before joining Club Horse.

Once you join, you can start earning points right away. Return often because your points will expire if we don't see or hear from you in 30 days. Why? Because we add new information and fun things to do on HorseChannel.com every day and we don't want you to miss out!

Need more information? [See our FAQ page](#) for frequently asked questions.

You'll be surprised how fast the points add up in Club Horse!
