Bitless Bridle

A humane simplification transforms horsemanship. Less is more. The Bitless Bridle™ replaces the Bronze Age technology of the bit. Unlike the bit, no pain is inflicted. Your horse is free from fear, listens more attentively, breathes more freely, and moves more gracefully. With a calm, less spooky horse, communication is enhanced, trust established, performance improved, and harmony achieved. Riding becomes simpler, safer and more satisfying for both you and your horse. More info >>
