

Horse of the Week: Spurt

By KyEHC

January 16, 2009

- Thoroughbred
- Mare
- Bay
- 8-year-old
- 15.1hh

Spurt retired from racing with a fractured sesamoid that is now completely healed. She is looking forward to finding a new home and second career. Spurt is adjusting very well to life away from the track and has settled in quite nicely. She loves attention and will make someone a very nice show or pleasure horse.

For more information on Spurt or any of the other horses at the Kentucky Equine Humane Center, visit <http://www.kyehc.org/>.
