

Horse Holiday Party

December 3, 2008

Before your barn buddies book their calendars for other activities, get them to save a date for a horse holiday party. It'll be a memorable occasion whether it's an informal gathering in the tackroom, an open house where friends can drop by after their riding lesson, or a potluck dinner on a weekend evening. Be sure to include a gift exchange where attendees bring a modestly priced horse-themed present. That way everyone goes home (or back to the barn) with something they can put to use.
