

## Poisonous Posies

Learn to identify poisonous plants in your horse's pasture by visiting these university websites. Plant photos, toxicity ratings, signs of poisoning in horses, first aid and prevention are just part of what you will find at:

Cornell University—[www.ansci.cornell.edu/plants](http://www.ansci.cornell.edu/plants)

Purdue University—[www.extension.purdue.edu/extmedia/WS/WS\\_37\\_ToxicPlants08.pdf](http://www.extension.purdue.edu/extmedia/WS/WS_37_ToxicPlants08.pdf)
