

Great Clips

Practical tips to help you clip like a pro.

By Annie Eldridge

November 2007

Horse-care expert Kylie Lyman, who manages Olympic event rider Robert Costello's Tanglewood Farm in Southern Pines, N.C., says a good pair of clippers, along with organized preparation, practical know-how and a relaxed horse, make clipping easier. Follow along as Lyman shows how to perfect the art of clipping your horse from start to finish.
