### Horse slaughter halted at DeKalb plant

The line of horses stepping toward their slaughter at a DeKalb plant came to an abrupt halt on Thursday after a federal court order that horse lovers and animal rights advocates hope may mark the end of the controversial practice of killing American horses to ship their meat overseas, from the Chicago Tribune. [Read more >>](#)

### Watershed group wants halt to Wild Horse CRM

A private, Idaho-based environmental and conservation group has served notice to the state that it will file a lawsuit under the federal Endangered Species Act to halt the implementation of the Wild Horse Coordinated Resource Management Project set to begin this year east of Ellensburg, from the Daily Record.
