For a limited time, western lifestyle and ranching enthusiasts can purchase the American Quarter Horse Association's Best Remudas 2009 Calendar featuring 12 months of stunning photos of America's most noteworthy ranches, and the Quarter Horses and cowboys that define them. Each month also highlights important American Quarter Horse Association (AQHA) events and deadlines. Whether it's hanging in your barn, office or home, the AQHA Best Remuda Calendar will keep you on track while offering a glimpse into our western heritage.

The 2009 Best Remudas Calendar is now available at Quarter Horse Outfitters for \$12.99.

Since 1992, AQHA and Bayer Animal Health have selected one North American ranch to receive their annual Best Remuda award. Winning ranches are selected not only for their quality horses but also for how the remuda is an integral part of daily life on a real working ranch. Winners stretch from Canada to the Mexican border, and the traditions and way of everyday life are as diverse as the ranches and the people on them.
