

Dressage News In Real Time

The USDF now providing a live news feed to desktops.

03-31-2008

Keep up with all the current events from the United States Dressage Federation (USDF) through its new internet news feed from Really Simple Syndication (RSS). Available to USDF members and business partners, the feed provides the most up-to-date real-time news and headlines from the USDF.

The feeds make it possible for people to keep up with all the dressage news and events on their personal web pages or homepages. Anyone who wishes to add the USDF RSS feed can do so by clicking on the RSS icon on the USDF website at www.usdf.org.
