

Raise Money for NARHA Without Spending a Dime

Now there are two easy ways to help the North American Riding for the Handicapped Association.

June 5, 2008

Like most nonprofit organizations, the North American Riding for the Handicapped Association, Inc. (NARHA) depends on donations to ensure high standards for enabling equine-assisted activities and therapies for people with disabilities. Now horse lovers everywhere can help raise money for NARHA painlessly by using GoodSearch to search the internet and GoodShop to make online purchases.

If you select NARHA as your preferred charity on the internet search engine site GoodSearch.com, the company will donate 50 percent of its advertising revenue to NARHA every time you use the GoodSearch tool to find something on the web.

GoodShop.com is a new online marketplace that donates up to 37 percent of online purchases to charities such as NARHA. GoodShoppers can choose from hundreds of popular online merchants including Amazon, Target, Gap, Best Buy, eBay, Macy's and Barnes & Noble. Every time you place an order, you can be supporting NARHA!
