What horses, people, events and innovations do you think shaped the Arabian horse and the Arabian horse community during the past 100 years? The Arabian Horse Club of America wants to hear from you!

To celebrate its centennial anniversary in 2008, the AHA is requesting its members to submit their lists on what has made the Arabian horse and the Arabian horse industry what it is today.

Then, beginning in the December/January issue of the AHA's Modern Arabian Horse publication and continuing throughout 2008, the AHA will count down the Top 100 most influential and significant horses, people, events and innovations as submitted by you.

Email your list to: [Top100@ArabianHorses.org](mailto:Top100@ArabianHorses.org).

The deadline is Wednesday, Oct. 31, 2007.
