

Are You Wild for “Wildfire?”

The second season of the hit ABC show is now available on DVD.

11-12-2007

Released Nov. 6, 2007

If you're hooked on the TV series Wildfire, you'll be happy to know that the second season of the teen drama was released this month. Wildfire: Season Two features all 13 episodes, along with exciting bonus materials including an exclusive look at the show's way of interweaving music from rising artists into the storyline.

Not familiar with Wildfire? The series follows a young woman who finds excitement and, of course, romance at the horse ranch where she works. It's shown on the ABC Family Channel and has become one of the network's highest-rated original programs.
