Featured Video: Horse Can't Get Over How Good Looking He Is

Vanity is not an appealing trait, but being able to appreciate one's appearance is a quality few have. Unless, of course, you're this horse in the video who can't get enough of looking at himself in the mirror in his stable. He knows he's good looking. He appreciates his own beauty. He's so comfortable in his own skin that he just can't help admiring his reflection. Watch now >>
